Spring has arrived, and with it, lots of new things are springing up for you with the Cutlerville Chamber of Commerce.

First, the CCC is now offering a tab on the chambers website for member businesses to offer coupons. You can send a new coupon each month if you would like. The Cutlerville Chamber will get the word out through the Advance papers and the Grand Rapids Press that will direct people to check out the "Cutlerville Coupons". Send your coupon today to utilize another great way to bring in customers for your business.

Secondly, the CCC is developing a "Welcome Basket" for all new businesses coming into the area. The chamber director and/or chamber board members will make a personal visit to the new business. Member businesses are invited to put advertising and promotional items into each basket as a way of marketing your business to the newest businesses in town. Let Dawn know what you would like to have in the basket and she will line up a time to pick up those items (i.e. pens, rulers, flyers, magnets). The Cutlerville Chamber of Commerce dedicated to fostering growth, development and cooperation to enrich the Cutlerville Community.
