

Spring is finally here. The buds are coming on the trees and the flowers are blooming. Spring also means it is a very busy time for the Cutlerville Chamber of Commerce. We do the majority of our community involvement in May and June. We kick off this month with our Car Seat Safety Check on Friday, May 6, followed by our Fire Safety Event , Saturday, May 7. A community blood drive is being sponsored in partnership with Spectrum Health – South Pavilion, Tuesday, June 7 and then our grand finale of Cutlerville Community Days and the Brian Diemer Race, Saturday, June 11, 2005. These activities require a significant amount of planning and involvement to be a success. I encourage each and every one of you (and business co-workers) to donate a couple hours of your time to help make these events successful. It is only by working together that we not only build relationships, but also feel part of the success. If you or your business would like to help, please contact Dawn at 890-1378.

Cindy Simons, President, CCC

## CCC SCHOLARSHIP WINNERS:

The Cutlerville Chamber of Commerce would like to congratulate our 3 winners in the 2005 Cutlerville Chamber Scholarship competition. This year was somewhat difficult, we had so many incredible applicants to choose from. The Members/Membership Committee noted there were many students who have taken an active role in their communities... serving, working, and bringing leadership. But, let us introduce our 3 winners...

Timothy Vincent from Byron Center High School. Tim served in his community at the Van Singel Fine Arts Center as an usher; provided special music at Mel Trotter Mission, organized the collection from his church for Samaritan's Purse Christmas Shoebox Program, volunteered with the BC Band, and participated in a county wide food drive. Tim was active in BC band programs, his youth group, track, soccer, math team, National Honor Society, and Business Professionals of America.

Heather Buerger from South Christian High School. Heather served her community as a Kid's Hope Mentor, teaching Little Lambs, library aide, Walk for Diabetes, and leading a "For Girl's Only" bible study. She is active in choir, Campaigners Bible Study, Young Life Club, Intramurals, Golf Team, Volleyball Team, Connections Council, and her church youth group. That was just to highlight a few, whew...

AND, Jeannette Benner, also from South Christian High School. Jeannette was involved with cheerleading, volleyball, band, bookstore, and Young Life at school. In addition, she gave in her community through Youth House work, Operation Christmas Child, Prison Ministry, Christmas Drive, mission trip, Vacation Bible School and Campaigners.

These students each won a \$500 scholarship towards college!

## Cutlerville Chamber Notes & News

Don't forget... get your coupons for the website and for the Welcome Baskets to our office as soon as possible. These are two great new ways to promote your business.

Every three seconds, someone needs blood. When lives are at stake, there's no substitute. **Community Blood Drive at Spectrum Health South Pavilion: Tuesday, June 7, from 2 – 5 pm co-sponsored by your Chamber.** Appointments are appreciated but not necessary, call Deb at 391-8200. Bring hope to life by donating!

## **Studio One-Day Spa and Salon**

A few months back Studio One joined the Cutlerville Chamber of Commerce. During some time I spent with Heather Moorefield asking all about their business, I saw a sign on the back of her office door. It asked "What are you doing to compel our clients to tell everyone they know about us?". Wow! I asked Heather what prompted this reminder sign and she shared that Studio One-Day Spa and Salon knows that word of mouth is their best advertisement. If you leave happy, with quality services and products, you will tell other about your experience. Salon One wants to go the extra mile for you! Since that visit, I have had my first manicure and pedicure. Wow, what a spoiled, wonderful feeling to have that kind of attention and service. Other services offered at Studio One-Day Spa and Salon that you might want to check out: Seaweed Wrap, Mud Therapy Body Masque, waxing services, manicures and pedicures, Paraffin Treatments, nail art, many different facials, Sea Salt Scrubs, complimentary bang and neck trim, even an umbrella if you are leaving during inclement weather. They also offer a variety of massages: Deep Tissue, Therapeutic, Reflexology, and Aromatherapy. Don't wait, give Studio One – Day Spa and Salon a call, set some time aside to spoil yourself or someone you know needs a break... 616-827-9011.
